1st October 2019

For the attention of the Headteacher, Chair or Responsible Officer of the Admission Authority, Parents/Carers, other key stakeholders

Dear colleagues

Consultation on reduction in the published admission number for 2021/22

Moulsham Junior School, as its own admission authority, is consulting on a reduction to the published admission number (PAN) for 2021/22.

The proposal is as follows:

To reduce the published admission number (PAN) from the current 180 to 150. This is to enable the school to organise effectively back into FIVE form of entry. There are sufficient school places available in the local area to ensure a school place for every child and the proposal is not expected to disadvantage any family with a child currently at the school or living within the priority admission area.

How to comment on the proposal:

Parents and other interested persons are entitled to ask questions and comment on the above proposals. Comments are only sought on the proposed change and not on any other aspects of the admission arrangements which are intended to remain the same as they are currently which are available to view via the website <http://www.moulsham-jun.essex.sch.uk/page/?title=School+Information&pid=16>

The consultation period is open between Tuesday 1st October 2019 and Monday 25th November 2019.

Any comments should be submitted in writing to myself Marie Staley, Headteacher of Moulsham Junior School, by email at head@moulsham-jun.essex.sch.uk or by post to the address above.

Following the end of the consultation period, I and the school Governors, having considered any responses, will set the admission arrangements for the school in February 2020.

Further information about school admissions is available on the local authority's website at www.essex.gov.uk/admissions.

Yours faithfully

Marie Staley
Headteacher
