

## Help to prepare a meal.

## Key Question of the week: Why was VE day so important to England?

(You can answer this in any way  
you like: writing, drawing, a  
song, computer presentation,  
drama-the list is endless!)

## Do a Joe Wickes video / Cosmic Kids / Parent fitness challenge:

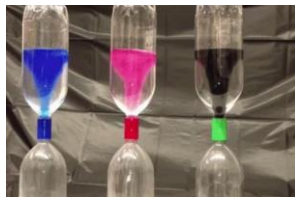

<https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ>

<https://www.youtube.com/user/CosmicKidsYoga>

## Try this science experiment: Tornado in a bottle

<https://www.businessinsider.com/8-awesomely-simple-science-experiments-you-can-do-at-home-2016-7?r=US&IR=T#tornado-in-a-bottle-1>

## Write your weekly journal page.

(This might contain detail about one thing that  
has happened, how you're feeling, newspaper  
articles, photos, pictures from magazines/the  
internet, some of the art you have produced)

## Build a model of: A WW2 airplane.

(This could be with Lego, Duplo, mega block, any  
construction, junk modelling, paper, playdoh, sand  
etc.)

## Draw / Paint:

Create a scene depicting VE  
day.

## Data Handling:

Take the last four numbers from your telephone  
number. (This could be your own mobile  
number, or a parent's number, or your home  
phone number.)

What is the biggest number you can make from  
these numbers?

What is the smallest number you can make?

How many different  
combinations can you  
make?

## Play a card/board game with your family.
