

Help to prepare a meal.

Key Question of the week:

Which do you think is the more important invention; humans figuring out how to fly or to travel into space? Explain why you think one is more important than the other.

(You can answer this in any way you like: writing, drawing, a song, computer presentation, drama-the list is endless!)

Do a Joe Wickes video / Cosmic Kids / Parent fitness challenge.

<https://www.youtube.com/user/CosmicKidsYoga>

Try this science experiment:

Try your best to create a Straw Rocket:

<https://www.science-sparks.com/straw-rockets/>

Write your weekly journal page.

(This might contain detail about one thing that has happened, how you're feeling, newspaper articles, photos, pictures from magazines/the internet, some of the art you have produced)

Make a parachute

<https://www.sciencekids.co.nz/experiments/freefall.html>

See this week's DT lesson on making a parachute.
https://www.youtube.com/watch?v=Ab_g5sLoXoY

Draw / Paint:

Attempt to draw a Futuristic collage. Remember last week's art lesson that was available on the MJS website for help.

Maths:

Using either a tally or bar chart to help your record. Find as many 3D shapes around your house as you can.

Play a card/board game with your family.
