

8th January 2021

Dear Parent/Carer,

As per our letter to all parents/carers yesterday on 'remote learning', from Monday we will be delivering our online learning through 'SWAY presentations' therefore to give you an idea of how this might look we will be sending you all an email (via Purple Mash) over the next few days that gives you an example of a 'SWAY presentation' ... this way you at least get a chance to see the format before you start lessons on Monday. So keep a watch out for the email.

Remember any questions on any of your online learning should be directed to your remote learning Teacher via Purple Mash.

Kind regards

Miss Thirlwell
